

Cailin Schirm

St. George, UT | cailin.justineschirm@gmail.com | github.com/caijustine

PROFESSIONAL SUMMARY

Full-time Software Development student with hands-on experience in local SEO, Google Business Profile optimization, and CRM-based client management. Building a broad foundation across front-end, back-end, and database technologies, including React, TypeScript, Node.js, SQL, and Python, with two live, deployed projects, and actively working to go deeper in each. Hardworking and quick to learn, with a track record of balancing school and work in fast-paced, customer-facing roles and communicating clearly with clients and teams.

TECHNICAL SKILLS

Languages & Frameworks: TypeScript, JavaScript, Python, SQL, HTML/CSS, React, Node.js, FastAPI, Tailwind CSS

Tools & Deployment: Git, Docker, Figma, PostgreSQL, Supabase, Vercel, Render, Railway, Cloudflare

Web & Digital Marketing: SEO, Google Business Profile optimization, Google ranking factors, local citations

CRM & Business Tools: GoHighLevel, CRM platforms, client onboarding workflows

PROJECTS

Nebula - AI Resource-Sharing Platform

nebula.cailinjustine.dev

React, TypeScript, Tailwind CSS, FastAPI (Python), PostgreSQL, Cohere AI

- Built a full-stack app for classmates to submit, browse, and filter learning resources (React front end, FastAPI back end)
- Integrated an AI chat assistant that answers questions about saved resources, streaming replies in real time
- Deployed on Vercel, Render, and Supabase Postgres with Cloudflare DNS and automatic database migrations

Rose's Cleaning & Janitorial - Client Business Website

roses-cleaning.com

Node.js, HTML, CSS, JavaScript, Railway, Cloudflare

- Designed and launched a live multi-page site for a local cleaning company with a custom Node.js site generator
- Built in technical SEO: meta tags, JSON-LD structured data, auto sitemap, and pages for five service-area cities
- Added a cost estimator, before/after photo slider, and quote form; optimized speed with WebP images and caching

EDUCATION

Software Development (Full-Time) | Dixie Technical College

Currently Enrolled

High School Diploma | McDaniel High School

Portland, OR

WORK EXPERIENCE

Client Onboarding & Local SEO Specialist | Avid Growth Consulting

Jul 2026 - Present

- Optimize Google Business Profiles for local businesses using ranking factors and citations to boost search and Maps visibility
- Lead client onboarding end to end: run onboarding calls, complete intake sheets, and set up clients in the company platform
- Manage client follow-ups and communication using CRM tools, including GoHighLevel
- Triage the company inbox and client community messages, routing requests so nothing slips through the cracks

Preschool Teacher (3-Year-Old Classroom) | Northstar Preschools

Apr 2025 - Feb 2026

- Led daily routines, learning activities, and behavior guidance; coordinated with staff to keep care safe and consistent

Barista | Feellove Coffee

Apr 2025 - Mar 2026

- Prepared specialty drinks to standard and handled POS transactions while delivering fast, friendly customer service

Supervisor | Stumptown Coffee Roasters (PDX Airport)

Sept 2023 - Feb 2025

- Supervised daily operations and trained baristas on drink quality, workflow, and service at a high-volume airport store
- Managed opening and closing procedures and resolved customer concerns
